In selecting the company which will be seen at the opera house this evening in George Ade's comedy, "The College Widow," Henry W. Savage received and examined hundreds of applicants. The play is one of American types and each player was selected with a view to his physical fitness to realize to the letter the role entrusted to him to portray. The University Chancellor, the mild-mannered tutor, the railroad magnate, the rural freshman, the athletic girl, the football player, the trainer, the coach, the town marshall—these are a few of the people so truly sketched by Mr. Ade and so completely realized by Mr. Savage's company. "The College Widow" affords an evening of fullest and rarest enjoyment.

## YEARS AND YEARS AGO

Long before you and I remember, the first Black Silks were made in France by C. J. Bonnet & Cie. It has been but a few years that Silks of good lustre and quality have been made in this country, and not even now are they up in finish and wearing quality to foreign Silks. We would not bother ourselves about Bonnet Silks if they wear not better.

## BONNET SILKS.

These are the kinds of Silks worn by our grandmothers. In appearance they have a beautiful black lustre. Years ago these Silks were made 19 and 20 inches wide; now they are made 26 inches wide and priced less than years ago.

Now we get a 26-inch Bonnet Taffeta that should sell at \$1.25, now down to \$1.00 per yard.

We are using this Bonnet Silk as a leader to show the ladies that we carry only the best Silks and that they are priced very low.

We expect by selling only extra good values in Silk to be able to take your silk order.

## B. AND A. SILKS.

Since we put in B. and A. Silks one year ago, our sales on Colored Silks have more than doubled and our Black Silk business is half as much again as before. It all goes to show that ladies want the best, the reliable kind of goods, especially when the price is but a trifle more.

B. and A. Colored Silks come very wide (26 inches wide) and sell for only \$1.00 per yard.

B. and A. Black Silks come yard-wide and in a very lustrous Taffeta; sell for \$1.37 1-2 per yard.

## FANCY SILKS.

Passavant, the largest Silk dealers in this country, but a short time ago closed out to Boston parties all of their Colored Silks at but a part of the cost. We were fortunate enough to get a chance at this purchase and now have Plaid Silks at 75c for waists or fancy hoods, silks worth \$1.00.

One lot of Jasper Silks, a 75c value, now at 50c per yard.

Black Taffeta for linings, a good, pure Silk, very soft and lustrous, now at 55c per yard.
